FOR SALE

Opportunity

Securing a 3-acre parcel along International Boulevard in Oakland presents a unique opportunity for a commercial user with the opportunity to consolidate all operations with warehouse, office and retail functions all in one facility. Alternatively, this site is prime for urban infill redevelopment, given the area's ongoing revitalization and its strategic location. International Boulevard serves as a major corridor in Oakland, connecting diverse neighborhoods and offering significant potential for high density residential and commercial projects.

Oakland, California, is a dynamic city offering a prime location for both residential and commercial development. Known for its diverse culture, rich history, and proximity to major Bay Area hubs like San Francisco and Silicon Valley, Oakland is an ideal site for owners and developers looking to capitalize on its growing market. The city's strategic position on the San Francisco Bay, along with its robust infrastructure, makes it an attractive destination for both businesses and residents. With a thriving arts scene, excellent public transportation, and a variety of green spaces, Oakland presents a unique blend of urban and natural elements, fostering a vibrant and desirable community.
