1 PARKING PERMIT LOCATIONS AND FEES

Employee permit parking locations are divided into three "zones" throughout the Downtown, and can be found by referencing the parking permit map below. Permit holders must park within the corresponding zones indicated on the permit. Please note: "Zone 2" and "Zone 3" permits are also valid in "Zone 1."

**To support businesses impacted by COVID-19, permit fees have been waived for calendar year 2021.*

2 WHERE TO PLACE YOUR PARKING PERMIT

Parking Permits are nontransferable stickers and need to be attached directly to the inside surface of the front windshield on the lower left-hand corner (driver's side) of the vehicle to which it has been issued. If you change vehicles or have your windshield replaced over the course of the year, a new permit must be obtained from the Danville Police Department.
